Late summer blooms in our Beach 2 volunteer garden.

Let's Respect and Protect Our Paradise!

Please attend our meeting on Saturday, Aug. 17th at 5:30 p.m. at Holmes Whaley Lake Civic Center, Rt 292, Holmes

Thank you for your important contributions.

About Our Aug. 17th Meeting

Some residents have had the long-awaited satisfaction of getting beautiful paving done on Yanarella and Birch, which were badly in need of improvement. Another stretch on Lakeview Drive below Elm also received the excellence of a much-needed paving upgrade. In addition, without the expense of purchasing new road grading material, all of our roads were repaired using existing material, significantly addressing potholes and other problems. At this meeting, we will be discussing plans for future road work still needed to be done.

Your Attendance Is Strongly Urged!

This August meeting is very important because of extremely vital issues: our Annual Dues & Budget; plus our Annual Elections. Your presence is critical in providing your input and approval.

Three Important Board Positions Are Up for Election

They are President, Secretary and Board Member. Nominations for candidates occur during this meeting by those in attendance. After discussion and review, the voting process follows which will hopefully conclude with the official elections. New terms will begin immediately.

Our Beaches are Another Concern!

As some members of our community have reported, there is worry about stranded boats, wood piles and other problems in need of solutions. We thank our volunteers who are consistently helpful in resolving such issues the best they can. But some concerns remain. Please join us at our meeting to contribute your ideas for the benefit of all. Thank you so much!
