**Celebrating
Spring
and
Working to
Restore Safety and
Beauty to
our Whaley Lake
Paradise!**

**Thank you to all our volunteers!
Hope to see everyone
at our meeting on
Saturday, May 21st at 5 p.m.**

As we embark on better weather,
remember: At Whaley Lake
every summer has a story!

Aaron S. Cioppa
Vice President | Acting President

Since we met last, your Board has formed a Bridge Committee to research and focus on our beloved bridge repairs on Lakeview Drive. This committee was tasked with developing an action plan to repair our bridge that was taken from us during Hurricane Ida. Unfortunately, with all the hard work, effort and volunteer time that was spent, this has not been fruitful. The list is long and distinguished by politicians and local leaders that have failed us.

The new focus for the Board and Bridge Committee members is to formulate options to fund the bridge. Rest assured this Board and committee members are devoted to this task. We will provide an update at our May meeting.

In other news, beach clean-up organized by Carl Cinquemani with help from Matt Maneri and many other volunteers was a huge success. In addition, volunteer work has started in repairing the access to Beach II. Rick Wilson has taken this endeavor and cost on himself with Board member Carl Cinquemani's assistance.

With the interest of saving money from the road budget, the Board has decided to do minimal repairs like filling potholes on all our roadways. This work has begun way ahead of schedule.

Other topics to be discussed at our May 21st meeting at 5pm at the Holmes Whaley Lake Civic Association on Rt. 292 will be our budget expectations and elections for the next general meeting in August.
