Crucial Issues Affecting Everyone!

We urge everyone to attend our meeting on Saturday, Feb 10th at 5:30 p.m. at Holmes Whaley Lake Civic Center, Rt 292, Holmes

Thank you for your cooperation and valuable participation.

Aaron S. Cioppa
President

About Our Feb. 10th Meeting

We will be discussing roadway infrastructure, drainage issues, snow plowing and long-awaited capital improvements throughout our community now being considered with the approved increase in membership dues. If you have any personal requests, strong objections or concerns about any of these issues, it is essential that you share them at this meeting!

About Our Roads

As usual, this season's rain, snow and ice have wreaked havoc on our roads manifesting critical drainage problems as well as recurring torrential flooding in many key spots. There are many experts addressing these situations both individually and collectively in order to propose viable solutions. These professionals represent agencies that specialize in these problems and are performing these services *pro bono* for the sake of satisfying both environmental and residential concerns. Your patience is requested until they can complete their studies.

Who Will Be Our Next Secretary?

We are still actively searching for a responsible and skilled volunteer to assume the role of secretary for the Board. If you are interested or would like to suggest someone appropriate, please contact one of your Board Members.

Your Presence Counts!

As the largest and most organized homeowners' association on Whaley Lake, members of ShoreHaven should take pride in all the benefits it provides. Please join us at our meeting to contribute your ideas and solutions. Thank you!
