### About Our August 19th Meeting

We will be discussing increasing our annual budget along with an increase in dues. Plus, we will be holding elections for open board positions. As always, we will be talking about our beautiful beaches, volunteer work, upgrades on our roadways as well as drainage maintenance and problem areas. If you have any strong objections or concerns about any of these issues, it is crucial that you share them at this meeting!

### About Our Roads and Beaches

This season's frequent hard-driving rain has wreaked havoc on our newly resurfaced roads and in some stretches has exacerbated ongoing problems. We recognize this. The rains have also drastically impacted the recently groomed entrance to Beach 3 which totally wiped out a long concerted effort by generous volunteers. Our plan to increase annual dues is specifically to address issues like this in a more effective manner.

### Winter Is Coming!

Please tend to the shrubs and summer overgrowth that impede our roadways to help our snowplow contractor clear our roads.

### Your Vote Counts!

Many of our longtime Shorehaven residents already know we are the largest and most organized homeowners' association on Whaley Lake, representing 1/3 of the Whaley Lake Dam District. It is through our dedicated efforts that Whaley Lake is such a wonderful community in which to enjoy life! Please join us at our meeting to contribute your ideas and solutions. Thank you!
