Peckham Industries, Inc.
172 Prospect Hill Road
Brewster, NY 10509

To Whom It May Concern:

On behalf of every member of Shore Haven Civic Association, we would like to thank Peckham Industries for its very generous “in-kind” donation of 150 tons of Item 4 to help us with our massive bridge disaster and flood damage to our roads caused by Hurricane Ida last Sept. 2, 2021.

Your recognition of our critical need speaks volumes about the kinds of people who own and run Peckham Industries, defined by benevolence and support for the community it serves. Your help is something we have sought for almost a year since this tragedy. To finally see some tangible assistance renews our faith in humanity.

Finally, donations like yours inspire us to highly recommend your company to our many contractors and road construction specialists.

Thank you so very much!

Sincerely,

Aaron Cioppa
President

Dear Bobby:

This is to express our sincere appreciation for your extremely kind efforts to help Shore Haven Civic Association after the massive bridge disaster and flood damage to our roads caused by Hurricane Ida last Sept. 2, 2021.

Not only have you made a personal monetary donation to our GoFundMe, you and James Schmitt have combined your valuable influence in persuading Peckham Industries to make a very generous “in-kind” donation of 150 tons of Item 4 for our use in bridge construction and road improvements. But beyond that, you have also delivered half of the material to us using your own truck, time and expense.

Your compassion and generosity has impressed every member of our association! It will give us great pleasure to highly recommend your company to contractors and construction businesses in need of your services.

Thank you so very much, Bobby!

Sincerely,

Aaron Cioppa

374 Route 292
Holmes, NY 12531

Dear John and Daniel:

Shore Haven Civic Association wants to thank you for your very cooperative and helpful assistance after the massive bridge disaster and flood damage to our roads caused by Hurricane Ida last Sept. 2, 2021.

Your willingness to discount your costs to us when we had absolutely no funds available to pay for all the work needed, and no help from any of the many national, state, county and town resources to whom we appealed, has made an indelible impression on every member of Shore Haven. As you know, it was our residential volunteers who contacted you and paid you. They informed me of the high quality material you delivered exactly as you promised which accommodated our urgent schedule at that time.

Your understanding and very neighborly attitude was extremely refreshing when no one else was willing to help us. You can be sure that we will contact you again for future needs.

Thank you so very much, John and Daniel!

Sincerely,

Aaron Cioppa

James Schmitt
Schmitt Bros. Excavation & Development, LLC
1136 Old Quaker Hill Rd
Pawling, NY 12564

Dear James,

On behalf of every member of Shore Haven Civic Association, we would like to extend our deepest appreciation for all that you have done to help us during our Hurricane Ida disaster. This includes your guidance on how to negotiate with FEMA, as well as state, county and town government officials regarding any available grants.

While none of these efforts have produced any funds to assist with rebuilding our bridge destroyed on Sept. 2, 2021, you and Bobby Brill have used your influence with local enterprise to encourage a very large "in-kind" donation of 150 tons of Item 4 from Peckham Industries. In addition, you have promised to truck half of this material to our site as your own in-kind donation when our bridge contractor indicates he is ready for it.

Your knowledge, insight, support and compassion to help us is something we sought for almost a year since this tragedy. All of our attempts for assistance have finally produced some tangible results for which we are sincerely grateful.

We hope you realize how much we commend and admire you for providing our association with this wonderful help in our hour of critical need.

Thank you so very much!

Sincerely,

Aaron Cioppa
President
Shore Haven Civic Association
