### About Our May 18th Meeting

In addition to the increase in dues, ShoreHaven was fortunate to receive some significant funds from the sale of one of the homes which owed us money. With that in the bank, we are now in a much better position to make some of the long-awaited improvements particularly to our roads. Critical drainage issues which have plagued us for a very long time will be addressed first at Yanarella and move on from there.

### Your Attendance Can Help!

It is our hope that we can accommodate all specific requests within reason, since some of these drainage difficulties stem from massive amounts of water from roads beyond our control. We do need to make a plan, however.

### We Still Seek a Secretary!

With today's technology, there are various ways to easily record the meeting minutes. The rest is a piece of cake. Art Mulford can attest to that.

### Thank You To Our Dedicated Volunteers!

Thanks to the many volunteers who contribute in so many ways. In an organized event on Sunday, Apr 28th, many kind members of our community helped install the Beach One docks and cleaned the whole area. Other volunteers work all year long on beautifying our Beach Two stream with gardens and overall grooming. With summer almost here, let's show our respect for their efforts by keeping our paradise, safe, clean and beautiful. We want every member to feel free to enjoy our lake to have a happy experience with every visit. Please join us at our meeting to contribute your concerns and solutions. Thanks!
