Important Issues In Need of Resolution!

**Hope to see everyone
at our meeting on
Saturday, May 20th
at 5:30 p.m.
at Holmes Whaley Lake
Civic Center,
Rt 292, Holmes**

We will be discussing increasing membership dues, road repairs, beaches, docks and any other membership concerns. Thank you for your interest and vital participation.

Aaron S. Cioppa
President

About Our Roads

In case anyone hasn't noticed, our roads are in very poor condition after the winter, excessive rains and just general use. And, as we've reiterated previously, Billy Colbert and the RTFI staff who built our bridge are still awaiting full payment. While we have received a promise of more donated Item 4 to be used to repair our roads, we cannot implement until our bridge bills have been paid and a plan has been developed for best drainage and paving strategies.

Membership input at the meeting is crucial and highly anticipated!

About Our Beaches and Docks

Thanks to our team of dedicated volunteers, docks are in at Beach 1 and beach cleanup will be ongoing to address huge piles of dead trees and other debris. Efforts to limit any destructive activity is also encouraged. This includes discarding garbage and sharp fish hooks on the sand or in the water.

Everyone's cooperation and respect for the volunteers' work is needed all year.

About Our Annual Dues and GoFundMe

Annual invoices have been mailed to you. We are in desperate need of funds to not only pay for the work done to rebuild our bridge, but to also pay this year's essential services, taxes, insurance, etc. But most importantly, we need to have funds available to focus on the best methods for immediate road repair. **Your prompt payment of your invoice and kind donations will expedite this process.**

Plus, your input at the meeting on May 20th is indispensable to resolving the imminent decision about the needed increase in the annual dues going forward.
